By His Excellency

THE MOST REV. ERNEST J. PRIMEAU, S. T. D.

Bishop of Manchester

A WORD OF SPECIAL THANKS AND APPRECIATION

On this happy occasion of the dedication of our new parish church of St. Hedwig in Manchester, we wish especially to express our sincere gratitude to Dr. Bertran Gifford and his wife Adele, the former Adele Peldjak of this parish, and now long-time residents of Saugerties, New York. It is due to their generosity and goodwill that the Building Fund throughout the years has been substantially increased by the sum of their donation of \$53,925.00, and thus our dreams of a new church were considerably hastened in fulfillment.

Rev. Frederic R. Kaznocha, Pastor

HIS HOLINESS POPE PAUL VI

BRIEF HISTORY OF ST. HEDWIG'S PARISH

Manchester, New Hampshire

At the turn of the century, the first Polish immigrants began to settle in Manchester, New Hampshire. Due to the large number of Polish people, Bishop Denis Bradley, D.D., began to search for a capable Polish priest. It was in October, 1900, that Father John Puchala arrived to care for the spiritual needs of the Polish people. There were about 650 souls in the group, made up of Lithuanians, Russians and Poles. During the early days, Mass and Sunday devotions were held at St. Joseph's Cathedral in the lower chapel.

The year of 1902, brought the joyous news of the formation of the first Polish parish in the diocese of Manchester and in the state of New Hampshire. The newly created parish was placed under the patronage of St. Hedwig. The First Christian Church on the corner of Merrimack and Pine was purchased and remodelled for the new parish of St. Hedwig and Father John Puchala became its first pastor. Holy Mass was celebrated in the newly formed parish on the first Sunday of August, 1902.

During the pastorate of Father Puchala, a three-floor building was built for a school in 1906. In the same year, a home was purchased on Merrimack Street for the Sisters' convent. The Felician Sisters have been in charge of St. Casimir's school since 1908.

Bishop George Guertin, D.D., had given permission in 1914 for the purchase of 23 acres of land in Bedford, New Hampshire for a parish cemetery.

The early days of the parish, saw the founding of Thaddeus Kosciuszko Club. Likewise St. Joseph's Society came into existence. The parish is proud to have societies for all ages in the parish, such as the St. Ann's Society, the Rosary Society, the Third Order of St. Francis, Children of Mary and the Childhood of Jesus.

In 1947, the Alumni Group of St. Casimir's came into existence. And then the PTG was organized to acquaint the teachers and the parents of the children who are attending St. Casimir's school.

From this brief history, we can see Father John Puchala worked very zealously for the good of the Church and the souls that were entrusted to his care. Wonderful progress had been made despite the hardships and obstacles.

The beginning of the year of 1951, was marked by several joyous events. On January 17, 1951, Father John B. Puchala was appointed Monsignor by

His Holiness Pope Pius XII. This was indeed a great honor to be given to Father Puchala. It was on March 4, that Father Puchala with the rest of the newly created Monsignori was invested in the robes of Monsignor in St. Joseph's Cathedral by Bishop Matthew Brady, D.D. Monsignor Puchala had the privilege of being the first Polish Monsignor of Manchester diocese.

Monsignor Puchala, saw the growing need of a new church and hence in October, 1951, a Building Committee was organized to start gathering funds for the new church and rectory.

During the end of the Holy Season of Lent, in 1952, Monsignor Puchala was taken ill and was taken to Sacred Heart Hospital. On Palm Sunday in the early part of the evening, Monsignor John B. Puchala was called to the Heavenly Kingdom to receive his reward for the work he had accomplished during his priestly life. This indeed was a sad event for the entire parish and the Polish people.

On May 16, 1952, the Rev. Frederic R. Kaznocha, pastor of St. Joseph's Church in Claremont for sixteen years, was appointed as the second pastor of St. Hedwig's Church in Manchester.

Father Kaznocha continued to work on Monsignor Puchala's dream of a new church and rectory. This was realized after its completion on the site of the former Catholic Episcopal residence. The Bishop's home became the new Felician Sister's convent. Aside of it stands the new rectory and church where the first Mass was celebrated on August 25, 1963. The parishioners can be justly proud of this impressive edifice. May it continue to serve for God's greater honor and glory.

We wish to express our deepest appreciation to the late John D. Betley and Alex J. Majeski for the conception of our new parish plant. It is because of their knowledge and skill that the buildings, the final result are of such beauty and utilitarian value.

We also thank our prime contractors Blanchard-Stebbins Co. and all the sub-contractors for executing the plans in such an excellent manner.
